...we're gonna be big

A little bit about. . . **Alan Vetter** (AKA Al Dent)

Originally from New York City and a twenty year resident of Taos, New Mexico, Alan Vetter is an established Rock and Latin keyboard player as well as an experienced actor and self taught cosmetic surgeon. He has done both vocal and musical work on the movies "Fame" and "Hair", and has acted in several Off-Broadway flops.

He studied music and drama at New York's High School of Performing Arts, and continued to refine his talents at the State University of New York for several years afterward. In addition to several film credits he has also been doing voiceover work on radio for the past 20 years.

He is a big fan of swing music as well as an 80's-aholic. He can easily croon a Sinatra number then bust out with "My Sharona", making a seamless transition in between.

The sequences which you here on the CD were all recorded and arranged by Alan.

He currently lives in Taos, New Mexico with his Dog and vegetable garden.
