

Vanilla Pop

...we're gonna be big

WHO WE ARE

Consisting of Alan Vetter and Greg Thum (Al Dente & Lester Moore), Vanilla Pop is part Vegas style lounge act, part satire and all fun. We are an exciting and professional act covering 40's standards and disco hits as well as Eighties classics and TV themes... Vanilla Pop does 'em all with a style all their own.

Always wanted to hear Sinatra sing "Walk like an Egyptian" or John Wayne sing "These Boots Are Made For Walkin"? ... well Vanilla Pop is where your favorite artists and songs come together in a match made in Las Vegas heaven.

We appeal to a very wide audience, both young and old alike. The Dance floor is packed as we bring back the standards of the forties and crank it up for the classics of the Eighties and Seventies—all with a little bit of Vegas Flair.

WHAT WE CAN DO

Vanilla Pop is a self-contained act, complete with stage lighting, sequins, Vegas attire and top of the line bubble machine. Combine our extremely visual presentation with expert musicianship, and you have a fun-filled, interactive evening your guests will never forget. Watch out for Al- he loves to walk through the crowd...crooning his way into the hearts of our fans.

We pay attention to every detail of the act. From the artificial flowers to the quality of the bubbles, you can be assured that Vanilla Pop will leave you and your guests dazzled.

We can also tailor our set lists to meet the individual tastes of the client. If you want more 70's and less 80's....fine. More Sinatra and less Tom Jones...sorry we won't skimp on the Tom Jones, but we will work with you to customize your event to make it the most memorable evening your guests have had in a long time.

Vanilla Pop is available for club dates, private functions, college gigs, Tupperware parties or any other occasion where good humor and great music are desired.
