

## Vanilla Pop 2019 Private Event Performance Requirements

### FOR ALL PERFORMANCES:

A performing area of at least 15' Wide X 12' Deep

- Adequate dancing room in front of the band.  
(We love the dancers but hate it when they fall on our stuff.)
- If a dance floor is to be used, please **leave a space of 3 feet** between the dance floor and the front of the stage or performing area. This is to accommodate our speakers so that they are not on the dance floor restricting your guests.
- 2 (two) separate circuits for our electrical needs (for band use only)
- One (edible) meal per band member. (2 total, sometimes 3 if our roadie is in tow).  
Please...NO employee meals or cafeteria vouchers. We want what you're having... the good stuff.

A green (dressing) room for band use only supplied with:

- 1 meat, cheese, fruit and bread platter. After traveling for 3+ hours, setting up for 2 and preparing to sing for another 2.5 hours, the last thing we want to do is trouble the event planner or venue for some food and water. Sometimes the wait for dinner is a bit lengthy and we need something to tide us over so we don't pass out.
- 8 bottles of water
- One (1) one lb. bags of M&M's (all colors are fine)
- One (1) bottle of Tito's vodka or other national brand, one (1) bucket of ice, four (4) glasses and several quartered limes to keep us lubed. Or if this is against venue policy...

Full bar privileges for the length of the show. (We don't drink a lot, but we do enjoy an occasional "on the house" cocktail or three. And hey- there's only two of us and we always overtip.)

- Access to running water
- A mirror

### FOR OUTDOOR PERFORMANCES:

All of the above plus:

A covered (and we mean **fully COVERED**) space of no less than 20' x 20' with drop down sides.  
A level stage or carpet on LEVEL area of at least 15' Wide X 12' Deep  
OUTDOOR TEMPERATURE MUST BE AT LEAST 65°.

One separate dedicated circuit box for band use only. (You might want to get an electrician for this one).  
THIS WILL ALLOW PROPER FUNCTIONING OF EQUIPMENT. FAULTY POWER CAN CREATE MALFUNCTIONS & DELAYS FOR WHICH THE BAND IS NOT RESPONSIBLE.

The above requests are for your benefit as well as ours.

We are a very visual and performance oriented show. If problems arise during the performance, it is usually due to inclement weather or loss of power.

This inevitably results in delays and an angry drunken mob.

We want you and your guests to come away from your event with a long lasting sense of inner peace, harmony and tranquility, as well as some wonderful memories of a great party.

We'd be glad to talk with you and look forward to making your event one which you and your guests will cherish for a long time to come.
